Detroit Country Day School

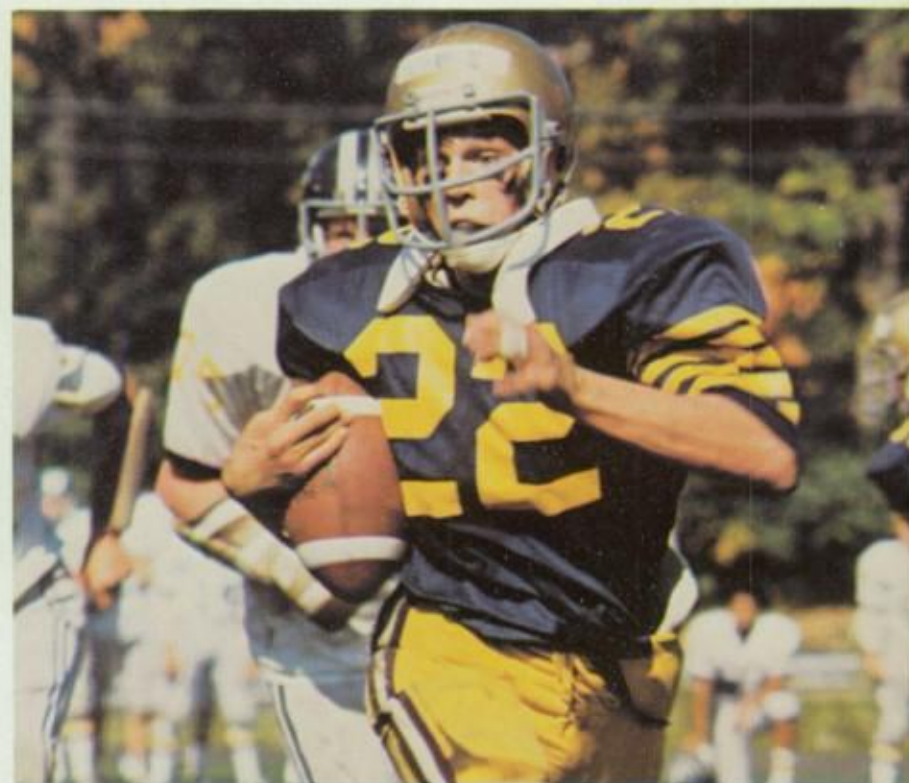

Birmingham

Michigan

It's possible to go to Country Day and not be dedicated.

It's possible to do all the work, hand in all the assignments, without caring about what you're doing. There's a feeling of pride you get when you've worked hard at something and your success shows it. You may never get that feeling, but maybe that doesn't bother you.

It's possible to join a team just to satisfy a requirement. Athletics aren't that important. There are other ways to experience the ecstasy of a hard-earned victory. And life will offer you many opportunities to learn how to deal with defeat. But later on, the stakes may be higher.

It's possible to get your twelve activity points without ever really working with an organization of other students. You don't ever have to commit yourself, you don't ever have to take responsibility. In fact, it's safer if you don't: if you never take any responsibility, there's no way you'll ever let anyone down.

It's possible to only do those things at Country Day that bring you immediate results. It's much more difficult to force yourself to do things you probably don't want to do, things that will never show up on your report card or your college transcript, things which no one may ever know about or congratulate you for. Things that may someday mean more to you than all the grades earned and points scored put together.

You can go to Country Day and not be dedicated. You can also go through life with your ears closed to an injustice that doesn't have to be, your mind closed to your own shortcomings. No one is going to force you to become a productive, caring human being. No one else is going to make you feel good about yourself.

You have to do that on your own.

The Perfect Tribute to Our Dear Friend

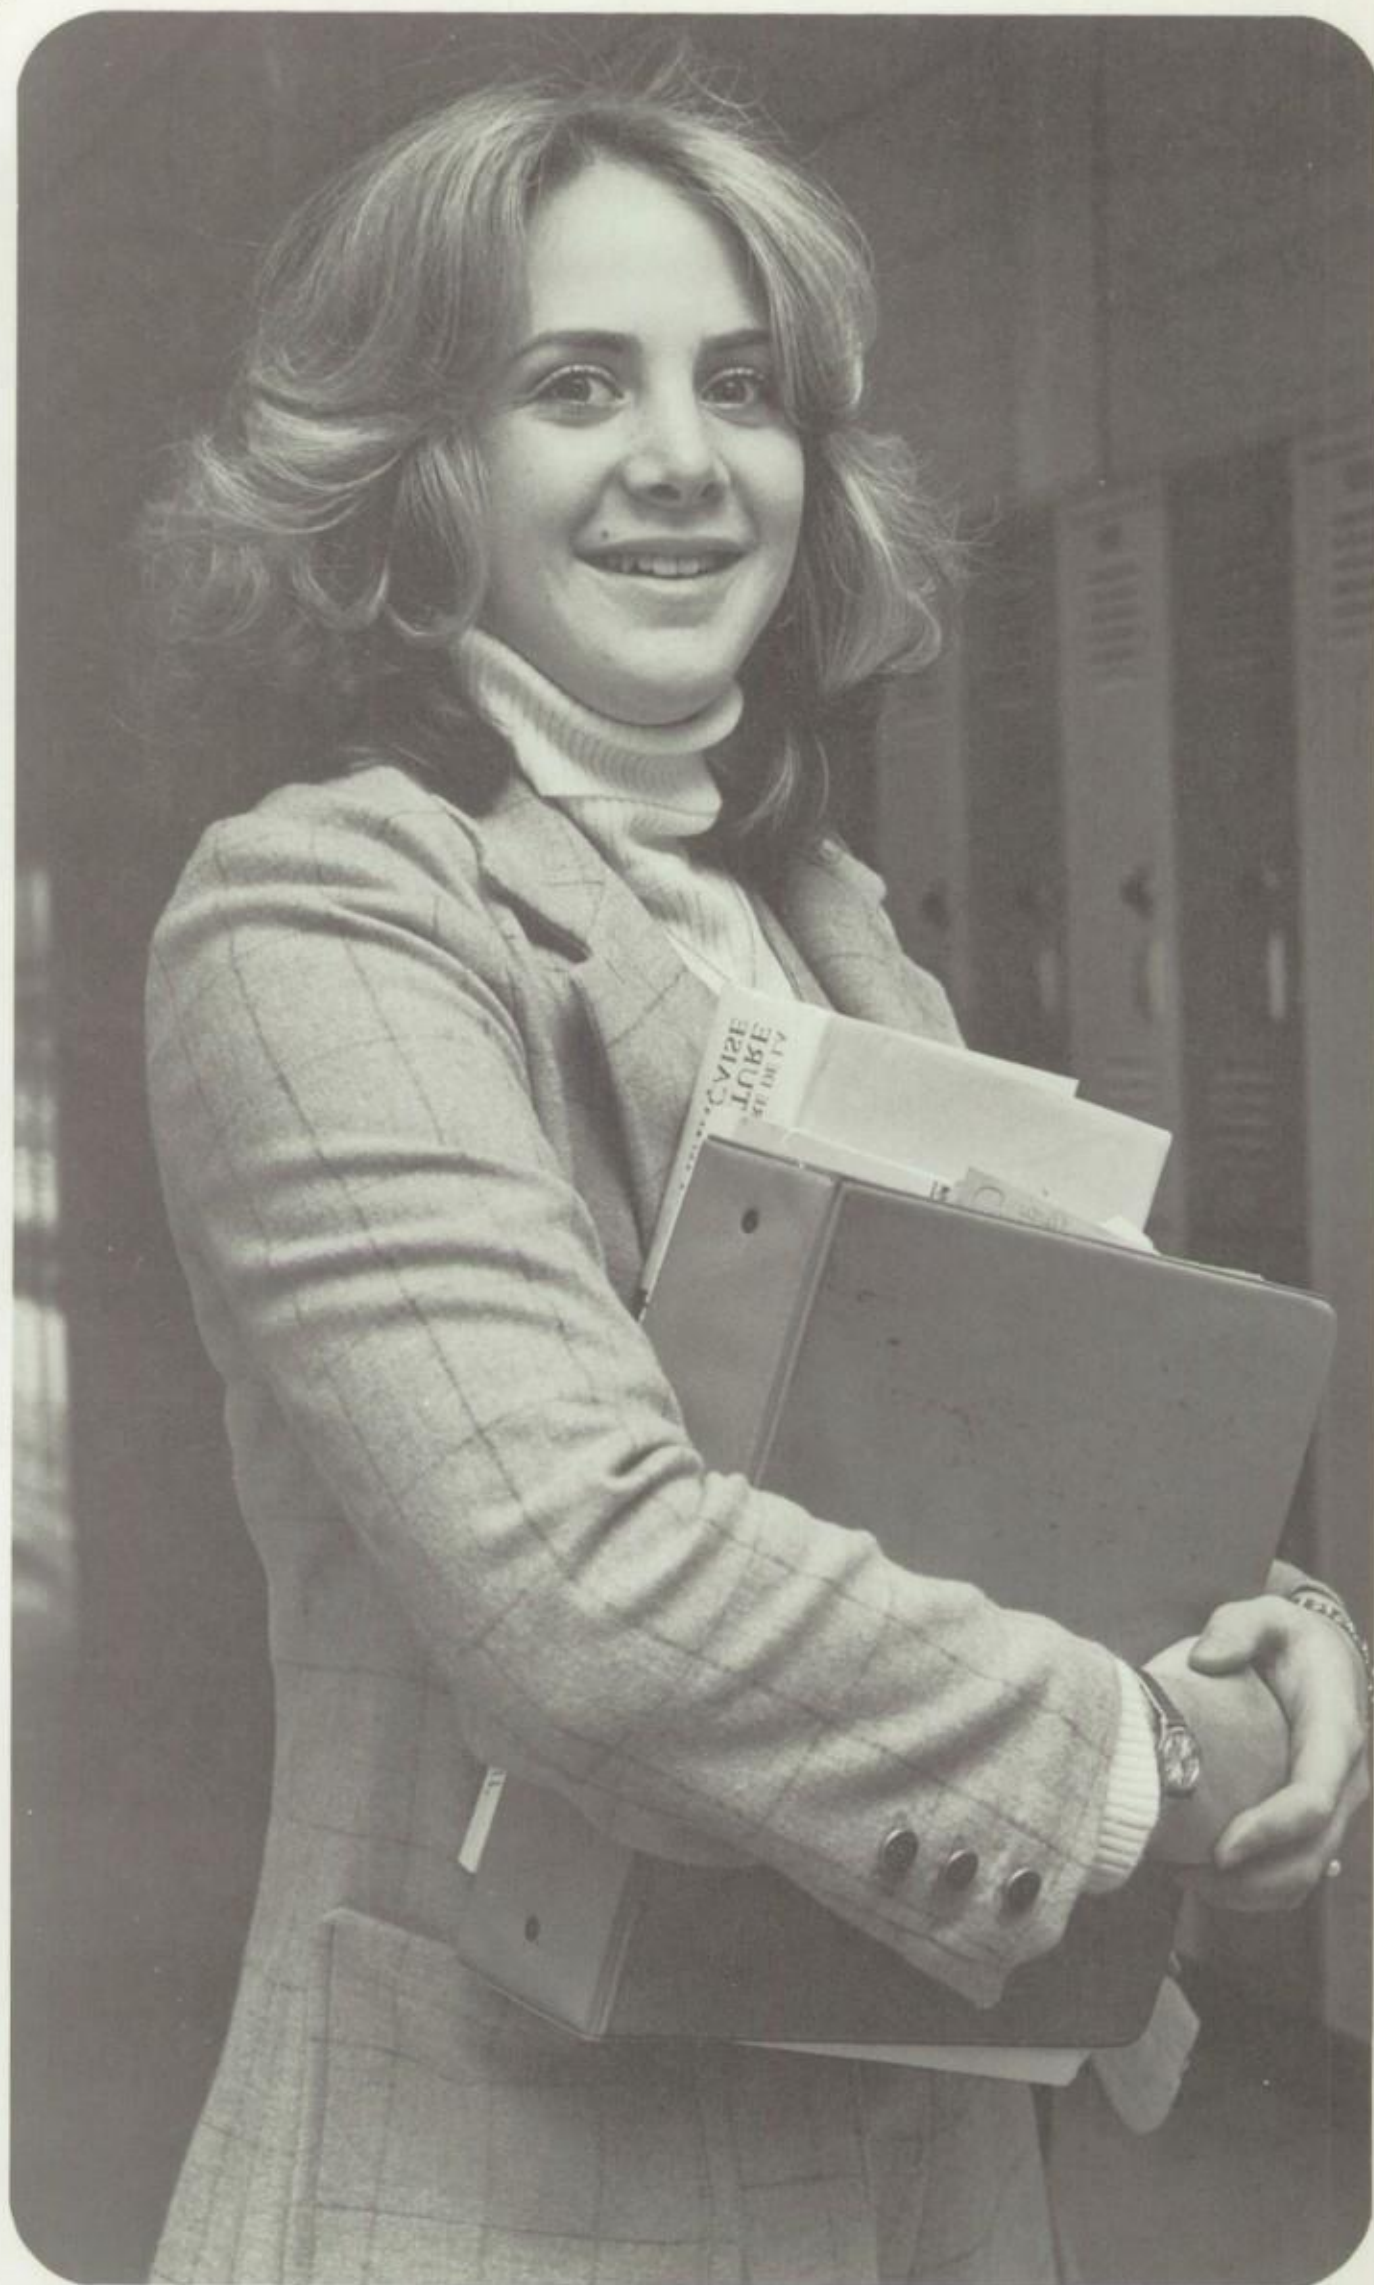

In 1914, Mr. F. Alden Shaw founded Detroit Country Day School. And last May, sixty-three years later, the alumni, friends and students of Country Day finally got around to trying to repay the debt we all owe this great man. Mr. Shaw was honored at a testimonial dinner at the Raleigh House on May 6, 1976. Edgar A. "Bud" Guest was the hilarious Master of Ceremonies. After a delicious dinner, Frederick G. Buesser, Jr., delivered the keynote speech. The rest of the evening consisted of the bestowing of honors on Mr. Shaw, topped off by the unveiling of a beautiful portrait of the Headmaster Emeritus himself painted by Patricia Hill Burnett, and by the reading of a telegram from President Gerald Ford. All in all, the evening was quite a success.

ABOVE FAR LEFT: Mr. Shaw and his wife Amy gardening. **ABOVE MIDDLE LEFT:** The smiles on their faces say it all. **TOP LEFT:** Dr. Gordon and Mrs. Burnett flank her portrait. **ABOVE:** Mr. Shaw is greeted by his dear friend Stanley S. Kresge. **ABOVE LEFT:** Country Day parents pay tribute to Mr. Shaw. **LEFT:** An early graduate of Country Day, Mr. Coleman Booth, sits with his wife and Mark Unger. **MIDDLE LEFT:** Mrs. Shaw and Mr. James Knudson reflect the enjoyment of the evening. **FAR LEFT:** Dr. Schlegel jokes with Mr. "Bud" Guest.

The Fine Arts Expand Again

The Art and Music departments have expanded their horizons.

The DCDS Art Department has been honored this year with an exhibition at Somerset Mall. The excellent work in many diverse areas was well received by the members of the community.

Tim Fisher, Neal Krasnick and Jim Sinard were also honored when **Arts and Activities** magazine, a national professional arts publication, published their drawings. Mr. Harry Schwarzer has expanded the fine arts program every year to encourage new art forms and greater student participation.

The Music Department also expanded and improved this year. The instrumental ensembles took part in several solo and ensemble competitions in which our students received excellent evaluations. The year long efforts of Dr. Maurice White were well complimented by the quality of his students' work. Mr. Paul Donohar shared his excellent chorale and chorus group with our community. This year they sang at other schools and Somerset Mall.

Service has always been a part of CD life. The Service Club and other members of the school contributed to the Red Cross Bloodmobile and kept the foreign student exchange program going with the International Dinner. The junior class provided lips at the Valentine kissing booth. In February, a basketball marathon was staged in honor of junior Billy Gee with all donations going to the American Cancer Society. It was our way of saying, "We're right with you, Billy."

Seniors Deal With Past and Present

Last spring Mr. Corwin's Civil War class highlighted their semester by traveling to the Eastern battlefield sites. At Gettysburg, Antietam, Richmond and other sites the students were assigned to search for certain battlefield marks. On occasion they were instructed to follow the same marching paths the Union and Rebel troops had actually used. On the whole, the trip was fun as well as academically successful.

Coinciding with the presidential election this fall, the senior class, spearheaded by Mr. Donohue, staged a mock election for forms I through VIII. The class put on a simulated debate and also brought in speakers dealing with the senatorial elections. Each homeroom was designated a state and given its electoral votes. Finally on November 5, Country Day voted. It was Ford and Esch by a landslide. Oh, well, we said it was a mock.

Spring Trip Highlights Respectable Season

This past year, the 1976 Country Day baseball team enjoyed a respectable season. When the season ended, they had earned a 14-9 record. The major highlight of the year was an unprecedented spring trip to Virginia. Staunton Military Academy of Staunton, Va. graciously boarded and fed the team for five days. Unfortunately we repaid the Southern hospitality by pummeling opponents in and throughout the area. When they returned to Michigan, Brad Dredge, Bill Gee and Doug Menzies found that after playing excellent ball, they had been named to the All-Oakland County baseball team. Brad led the team in hitting with Bill and Doug following close behind. The outlook for next year's team is very good. The Jackets will only lose two players. With some fine players coming up from the J.V. squad, Coach Jensen may find next year's season to be quite enjoyable.

Lacrossers Reflect Effort and Improvement

The '76 women's lacrosse team ended up with a losing season; however, the team improved a great deal from the previous season. The co-captains, Leslie Touma and Andrea Raar, did an excellent job of making the team work well together. The team put a great effort into all the games and this was reflected by the scores.

The 1976 men's varsity lacrosse team turned in a fine season, considering it was for the most part a rebuilding year. The team opened with a win against Cranbrook and for the better part of the year was tied for first place in the Midwest Lacrosse League.

Captained by juniors Steve Horwitz, John Gargaro and senior Tom Gilbert, the team rolled right along until it met with defeats by Upper Arlington and Western Reserve. After traveling to Pennsylvania, the lacrossers took a fourth in the league tournament.

The team ended up fourth in the league and first in the West Division. Rob Ambrose, Dave Phillips and Ken Macartney enjoyed an excellent season. The '77 team, with the assistance of a spring trip to Florida and practice there, should do very well.

Varsity Track Teams Post Fine Seasons Despite Inexperience

The 1976 men's varsity track team was truly a team in every sense of the word. They finished the regular season with a fine dual meet record and placed third in the league. In regional competition, the team took fourth, and seven athletes earned the right to go to the states. There, Rick Litwin, school record holder in the shot-put, took third in that event; Courtney Vance, sophomore, placed fifth in the high hurdles; and captain Chris Yelder scored in the long jump and shot-put, as well as being a member of the sixth place 880 relay team.

The women's varsity track team completed its second winning season with a 10-1 record. The ladies, led by tri-captains Ros Edwards, Pat Jensen and Judy Nagy, took third in the regionals, placing in eleven events and qualifying for the states in seven of those. The highlight of the state meet was the performance of senior Judy Nagy, who took second place in the 440 yard dash, earning All-State honors.

With their raw talent and unflagging spirits, both teams are looking forward to strong performances this season and in the state meets.

Varsity Netters Make Run for Championship

Under the seasoned coaching of Wes Richards and Wes Richards, Jr., the men's varsity tennis team enjoyed one of its finest years at Country Day, posting one of the best records for any spring sport. The overall record was a respectable ten wins and four losses, including a near upset of Class B champion Detroit Austin.

The team was headed by senior captains John Neville and Mark Mollison. The squad's top singles players were Mark Mollison, Jeff Collins, Randy Jacobs and Glennys Merritt, who showed remarkable skill for a freshman. With the return of Collins, Jacobs and Merritt, the tennis team should have a bright future for the upcoming season of 1976.

The highlight of the season was the Metro Conference League meet. Country Day's tennis team placed second to Grosse Pointe University Liggett School. However, the most satisfying event of the meet was when our tennis team defeated rival Cranbrook by one point. Next year, the team hopes to dominate the league.

TOP: Glennys Merritt concentrates on a backhand. **CENTER:** John Neville tells the ball where to go. **LEFT:** "J. C." Jeff Collins in top form. **ABOVE:** Neal Krasnick displays his famous serve.

Women's Softball Program Has Good Start

The girls' softball team proved to be a high center of interest in the school during the spring season. The number and quality of the players made the first year sport a success. Many girls came out with little experience, yet the team turned out good practices and flexible players with great coaching from Roberta Righter, Nan Lechner and Don Corwin. Captained by Nancy Freedman and led by such stars as Romaine Hollis, Stacy Henderson, Sue Frent and LaRene Dell, the team made steady progress as they became more experienced. Beating the Academy of Sacred Heart was definitely a spirit booster for the girls, as it marked the first win of the season, to the surprise of everyone.

CD Jacket Gridders Have a Few Surprises

The 1976 varsity football team was full of surprises. Led by seniors Chris Yelder, John Gargaro, Jim Rosenfeld, Steve Horwitz and Ron Shmyr, the team was expected to land a Metro Conference championship. And for a while it seemed the grid-ers were out to do just that. Crushing their first league opponent, Harper Woods, the team seemed untoppable. The following week history was made as the team beat arch-rival Cranbrook for the first time ever. Lutheran West fell victim to Country Day for the first time as well. The Yellow Jackets didn't stop there, as they edged out the team considered to be the toughest they would ever face, Lutheran East. Somehow, though, the Eagles turned out to be the least of their worries. Losses were sustained at the hands of underdog Hamtramck and rival Liggett, leaving the mighty Jackets with a rather dismal 5-3 record in light of their high hopes.

Injuries Slow Up Soccer But New Style Improves

The youthful varsity soccer team, under new Coach Mr. Duggan, adjusted to a new modern style of play and made a respectable league showing against tough Class A competition. However, due to injuries to key veterans, the Jackets never reached their full potential. Still, they beat rival Liggett twice and placed Carlos Bermudez on the All-State team.

The JV soccer team, behind Neal Krasnick, Mark Francis and Willie Mandel, once again thrashed most of their opponents. The freshman squad developed several future varsity starters.

erson. **BOTTOM ROW:** Shari Goodman, Marcy Lynn, Sarah Smith, Kim Hanafée.

The women's varsity tennis team had nine matches and one regional last season. The team consisted of nine freshmen, three sophomores, two juniors and two seniors. With so young a team, DCDS will have a competitive spirit for many years to come. Although the team did not win any matches in team competition, there were many outstanding individual performances throughout the season.

Shari Goodman as first singles won three of her matches. Dora Djuric as second singles won one. Romaine Hollis and Michelle Touma were a powerful duo in doubles competition. The highlight of the season was the regional tournament competition, in which DCDS placed fifth out of ten schools, with Shari Goodman making it to the semi-finals. The '77 season should be exciting with many returning.

Spirited Players Highlight Field Hockey

Under the spirited coaching of the new varsity field hockey coach, Miss Cynthia Hannett, the field hockey team had its most enthusiastic season in years. Led by co-captains Anita Flynn and Aimee Sutherland, the team had a strong defense but experienced many frustrations in its offense. New students Lauren and Lisa Irwin proved to be a great asset. Junior goalie Sue Fincham had a good season, and freshman Pam Schmidt and sophomore Lisa Smiler also contributed greatly to the team effort. The team improved greatly in technique by the end of the season. With its great enthusiasm and spirit and the help of returning experienced players, the team should be a winner.

TOP ROW: Susan Finchman, Aimee Sutherland, Valerie Thomas, Anita Flynn, Janice Collins, Miss Hannett. **MIDDLE ROW:** Lauren Irwin, Kristin Washington, Holly Hegarty, Lisa Smiler, Lori

Golf Team Tees Off to a Winning Season

After losing its first four dual matches of the year, the golf team came back strong to win its final nine matches to finish with an impressive 9-4 record. The team also finished fifth in the Oakland Press Invitational Tournament which was made up of thirty-nine schools. The team finished fourth in their strong region and therefore were not able to defend their 1975 state title.

Strong individual performances were turned in. Captain Glenn Alexander led the team with the lowest number of strokes and made the News All-State team. Dave Tabashnik and Bill Gee also reinforced the team's strength with their low scores.

CC Has Good Showing in Building Year

This year's cross country squad was young and for the most part inexperienced. Nevertheless, despite a 3-8 overall dual meet record, the team boasted some solid individual performances. Captains Kevin Cosgriff and Randy Jacobs provided strong leadership throughout the year. Russ White, the team's Most Valuable Runner, turned in a fine

showing in the league and invitational meets.

The girls' squad, captained by junior Suzy Milad, turned in a respectable season. Although most of their competition was of the male variety, the female harriers were not intimidated. Freshman Dee Cook earned a berth in the state meet, and is expected to improve with more experience.

TOP ROW: Mr. Jurkiewicz, Jeffrey Letzer, Russell White, Glennys Merritt, David Dworkin, Douglas Steward, Robert MacKenzie, Phillip Zinn, Joost Korsten, Randall Jacobs, James Brown, Jeffrey Ninowski, Stuart Mandelbaum, Alan Stillman, Thomas Stulberg, Dr. White. **MIDDLE ROW:** Charles Mandel, Robert Levy, Tina Warpup, Silvia Acosta, Michelle Ragland, Janene Skrobot, Deborah Cook, Deborah Scott, Mary

The Basketball Team Breaks In New Coach

This year's varsity basketball team under new coach Mr. Tim Domke has experienced the frustrations of learning a new system of basketball. The season has been highlighted by two victories over both arch rivals Cranbrook and Liggett. Perhaps the most dramatic win of the year occurred as we beat Hamtramck 61-58. Led throughout the year by junior Courtney Vance's scoring, sophomore Rodney Gilbert's rebounding and junior Jeff Johnston's clutch foul shooting, the Jackets have maintained a 9-7 record. The five seniors on the squad, including springy Chris Yelder, aggressive Bruce Zivian and smooth Howard Becker, have come through when it counted.

The JV squad, led by Bob MacKenzie and Mark Fentress, has had a mediocre year. However, these two players and Kent Bowman, who played varsity for most of the year, should bolster future CD teams to some championships.

TOP RIGHT: Courtney Vance has everyone faked out as he goes in for a basket. **ABOVE:** Mssrs. Jackson, Yelder and Becker position themselves strategically for a defensive rebound. **BELOW:** Andy Felles fires his famous jumper. **BOTTOM RIGHT:** Jeff Johnston lets go a pass.

Varsity Swim Team Shows Unflagging Spirit

Despite on 0-6 record, the Country Day varsity swim team had a great season and its record is attributed to tough competition rather than the lack of anything else.

Coached by Ms. Jane Wood and led by co-captains Gil Borman and Kali Tangelakis, the team had only a few vets. A series of tough workouts were needed to prepare the team for competition. Pleasant surprises came from Scott Pierson and Skip Kenyon; their participation was absolutely superb. Junior Scott Smillie was equally valuable, performing well with times that were very competitive. Mark Frent's steady racing in the 100 fly showed fantastic improvement at the Oak Park meet. It was, however, the first year men who kept it close when it shouldn't have been. Eric Borman, Eddie Guindi and Dan Nagle became the backbone of the team. Few would ever dispute the value of juniors Jim Lemle and Mark Unger whose versatility added a flexibility to the lineup which helped the swim team greatly.

The team looks forward to next winter and the future performances of such people as Dee Cook and Lisette Wadle.

TOP: Scott Pierson shakes loose before a race. **LEFT:** The racers take off in a glide. **ABOVE:** Skip Kenyon displays his famous "forward half-twist" as he looks for the poolage.

The Long Cold Winter Is Great for the Skiers

Due to the increasing interest in skiing as a sport, more and more students have joined the Country Day ski team. Led by Coach Croy for the second year, the young ski team continues to improve. With captain Brian Barr heading the large troop of members, the ski team's record has improved. David Koppin was this year's number one skier with David Grant, Jim Shaya and Brian Barr skiing at an equal caliber. David Koppin and David Grant have placed first, second and third in most meets. Consisting of mainly juniors and sophomores, the team will be strong for next year's ski season.

TOP ROW: Mr. Croy, Kim Hanafée, Jeff Stillman, Scott Cantor, Jack Hegarty, Gregg Clapp, Dave Koppin, Dave Grant, Ms. Reif-snyder. **MIDDLE ROW:** Susanne Schmidt, Kel Keller, Bev Dinger, Paul Wellington, Tom Cupelis, Mike McNutt, Harlan Simmons,

Women's Basketball Teams Enjoy Season

Although women's basketball is only in its second season at Country Day, it has proven to be very popular.

The 1976-77 women's varsity basketball team had a very exciting season. The girls improved a great deal from the previous year. The team marked their first win of the season when they beat Greenhills, 31-30. "It was one of the best games they've ever played," said Coach Righter. Top scorers of the team were LaRene Dell, Cindy Hoglund, Anita Flynn and Lori Edwards. Captain Romaine Hollis feels that next year the team will prove to be even better than this year's team.

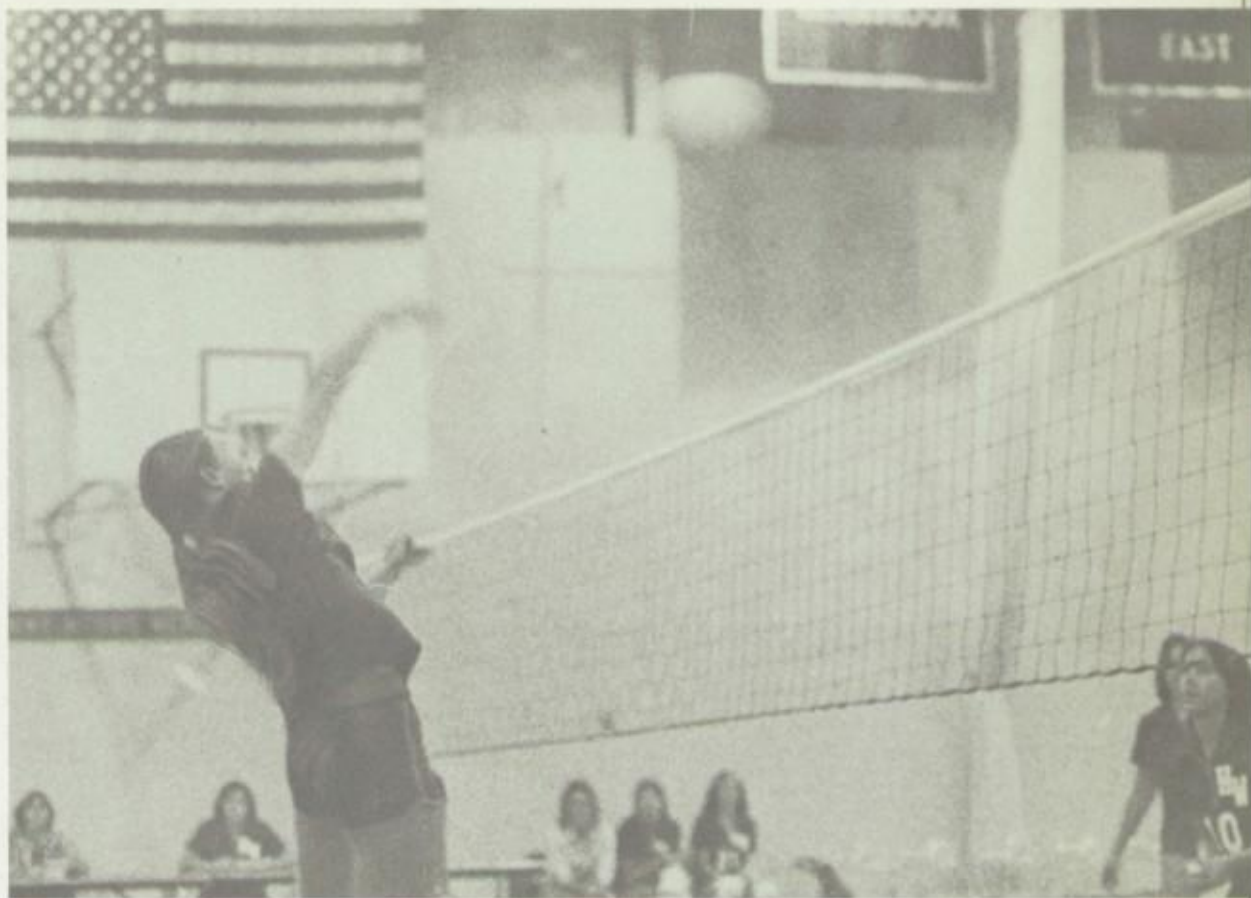

The J.V. women's basketball team also improved a lot this year. Although their scoring record wasn't as impressive as the varsity's, they showed much team spirit. Captain Jennifer Elgee hopes that this year's J.V. women will make next year's varsity team stronger.

TOP: Lisa Irwin dribbles past an opponent as she crosses half-court. **ABOVE:** J.V. team members Jill Foley, Sarah Smith, Sue Randol and Lisa Irwin watch the action. **RIGHT:** Lauren Irwin battles for the ball.

Volleyball Teams Set Up Some Victories

In spite of several early season adversities, the volleyball teams had a good 1977 season. Several varsity players were unable to play because of injuries and illnesses. Senior Kathy Katz, one of the strongest varsity players, was forced to miss almost all of the season because of an ankle injury. Because of these misfortunes, several J.V. players were temporarily moved up to varsity. In spite of this, the strong J.V. team still maintained a winning record. Both teams were successful in sticking together as a team when they were behind. "One of the most important things in playing a team sport is having spirit," said Coach Mary Fleming. The varsity team showed how effective spirit can be during their Kingswood game. DCDS came out of the game the victors, the only team to defeat Kingswood.

TOP: Lori Edwards leaps high to spike against the Harper Woods team. **ABOVE:** Sophomore Betsy Moss seems to be enthralled as she watches the game from the bench. **LEFT:** Desiree Mehrabian demonstrates her serving form.

CD Hockey Team Has Successful Season

Coach Harry Lapointe again led the hockey team to another outstanding season. As of this writing, the hockey team had been unbeaten in seventeen consecutive games and had climbed to number three in the state hockey ratings. Taking advantage of each player's individual strengths, Coach Lapointe molded the individuals into a powerful team. While Dave Phillips, Lou Schmidt and Tom Shafer scored goals, Doug Menzies, Ron Angell and goalie Glenn Alexander consistently thwarted the opposition's rushes. Although individual talent was a strong point of the squad, the true success of the team was its fine team play which allowed them to defeat teams of superior talent. It was this binding of talents which led the team to impressive showings against arch rival Cranbrook and highly ranked Catholic Central, and it is this teamwork which enables the team to look forward to the state playoffs confidently.

The Country Day Wrestlers Rank High At State Meet

This year's varsity wrestling team enjoyed a very successful season. Coaches John Campbell, Don Corwin and Ed Hru led the team to a sixth place berth in the state meet and a Metro Conference championship. Some very fine individual performances were turned in. At 105 pounds Larry Webb compiled a 30-0-0 record and won the state meet to become state champ. Co-captain Paul Clark also earned a state championship and compiled a 24-5 season record at 119 pounds. Mark Zobl, the other co-captain, capped a fine 22-6 record with a second place in the state meet. Young grapplers can look forward to success next year and the team should again be strong as none of the wrestlers are graduating.

Enthusiastic Cheerleaders Support Athletics

This year's cheerleading squad was more visible than other squads have been in the past. Under the leadership of advisor Mrs. Judy Leybourn, the cheerleaders had one of the busiest schedules in the school as they squeezed in several practices and game appearances each week. Rather than concentrating on appearing at only a few sports, the cheerleaders enthusiastically lent their support at many different sporting events.

In the Spring, Middlers Can Play Tennis, Baseball, Lacrosse, Girls' Softball or Track

As the spring time of year symbolizes birth and growth, the middle school efforts were of initiation and improvement. The boys' lacrosse team was a prime example of beginners learning a sport. Mark Murdoch, Robert Lech and Maseh Rafani made good showings. The baseball team didn't fare well on the scoreboard, but provided experience for good developing ballplayers like Bob Arnold and Tracy Totten in Form IV and

Marc Kornmesser, Bob Walther and Marc Disner in Form III. The middler tennis team finished with a fine 6-2 record with Aldo Stanisavljevic, Alan Barr, Mark Newman and Mike Kojaian leading the team. The girls' track team didn't compete, but was taught the fundamentals. Dee Cook and Dora Djuric should bolster future teams. The softball team was helped by the efforts of Kim Unger and Jackie Delevie, who both showed good potential.

Fall Sports Are Lots of Fun for Middlers

The fall season found the middlers playing football, soccer, field hockey and tennis. The football teams were involved in a new league against tough public school competition and therefore had a year of adjustment. There were some outstanding individuals, however. In Form IV, Tom Stulberg, Brad Kuish and Eric Fisher had good seasons. In Form III, Scott Brennen, Mark Riley, Eric Martin, Jeff Keegan and John Wilkinson did excellent jobs. The soccer teams enjoyed a successful season. The "A" team won all but one game. Led by Marc Kornmesser, Aldo Stanisavljevic and Mike Theodoulou, the team gave up only two goals all year, exhibiting an excellent defense.

The "B" soccer team won about half their games with Fred Guindi, Bob Sinard, Sam Gilbert and Ken Lipschultz leading the way. Chris Dankin was most improved player. The "C" team improved their soccer skills and had a good time. The field hockey team had several great upcoming varsity sticksters in Kandi Leon, Gloria Soof and Paula Richmond. The tennis team didn't win many matches, but it had many adept netters. Patty Pastor, Denise Barak, Kim Unger and Ronna Perlman all won most of their matches, and should make a good contribution to future varsity teams. Being outdoors and having a good time is what athletics are about.

MIDDLE SCHOOL GIRLS' TENNIS

Middler Swim, Wrestling, Volleyball, and Basketball Teams Improve During Season

The middle school winter team once again faced the problems of cramped space and limited time. In spite of these drawbacks, the middler teams came through with respectable showings. The volleyball teams had several outstanding individuals in Form IV members Gloria Soof and Kandi Leon and Form III student Anusuya Rangarajan. The boys' "A" basketball team didn't fare too well against the new league competition, but Eric Schunk and Bob Walther turned in very fine seasons.

The "B" basketball team beat Cranbrook twice and was led by John Wilkinson and Damon Jones. The swim team, which improved greatly throughout the season, had some fine athletes in Kim Unger, David Stremmer, Mark Newman and Don Cook. The wrestling team this year was the best the middle school has seen in ten years, according to Coach George Browne. Marc Kornmesser, Mark Riley, Mark Gould, Matt Balding and Peter Gilbert were nearly unbeatable as they faced tough public school competition.

MIDDLE SCHOOL

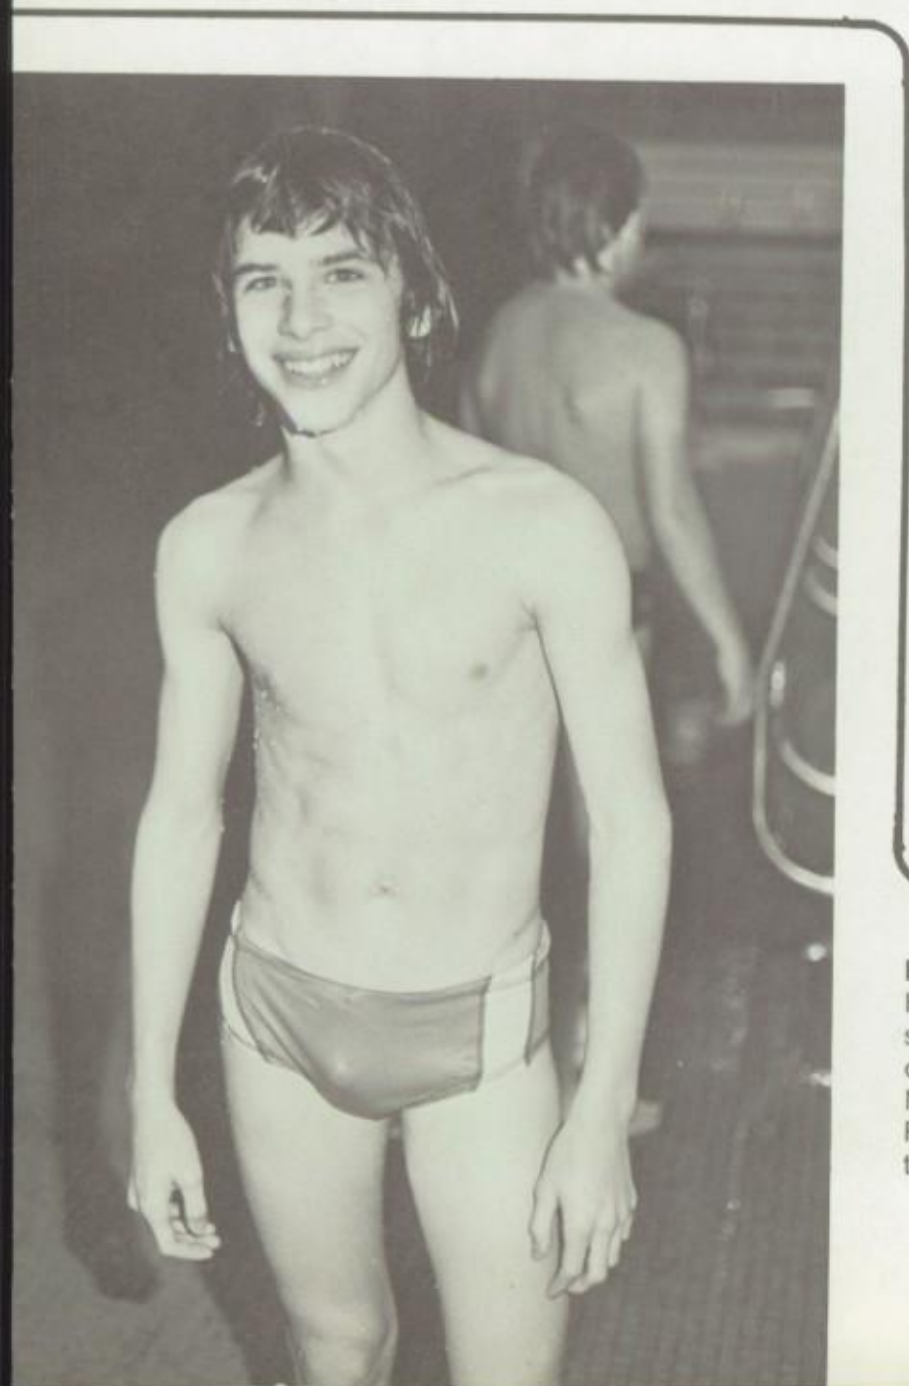

Middlers Enjoy a Multitude Of Exciting Activities

To follow its "AAA" motto, Country Day's curriculum strongly stresses the students' involvement in one of the many fine activities offered to the students. These activities give the student a form of relaxation between the intense effort required from them by their academics and athletics. These activities also provide a learning experience for the students.

These clubs are designed to extend into both the areas of academics and athletics. In athletics, Mr. Kevin Spencer and Mr. Tim Domke are directors of the Spirit & Pep Club, which cheers the middle school teams onto victories. As an extension of the history department, Mr. Eric Harrison offers an Archeology Club, which uses our own campus to find remnants of our past. To enhance the students' appreciation of mathematics, Mr. Bill Murdoch sponsors the Computer Club. Through his cooperation, the middle school enjoys nearly the same benefits as the upper school. As an extension of the Foreign Language Department, the French Club, directed by Ms. Roberta Righter and Ms. Jane Wood, and the Latin Club, directed by Mrs. Ellen Spittell, increase the students' appreciation of foreign cultures. The Lapidary Club, directed by Mr. William Appleton, is an appendage to the earth science course which he teaches to all eighth graders.

M.S. Activities Enhance Learning Skills

Many clubs offer the student the chance to improve and expand talents in special hobbies or in the arts. Mr. Petty's Photography Club and Mr. Ken Paul's Service Club serve to increase interest in these fields. The arts are represented by Mrs. Psaila's Decoupage Club, Mrs. Leybourn's String Art Club, Ms. Hannett's Art Club, and Mrs. Ben-Meir's Music and Cadet Band.

Apart from these clubs, the students' involvement in activities is augmented through the weekly collections and occasional field trips. Guest speakers enlighten the students in their special fields. The activities provide a unique channel through which the students can learn. They allow the student a chance to relax, learn new things, and provide a means of self-expression.

LOWER SCHOOL

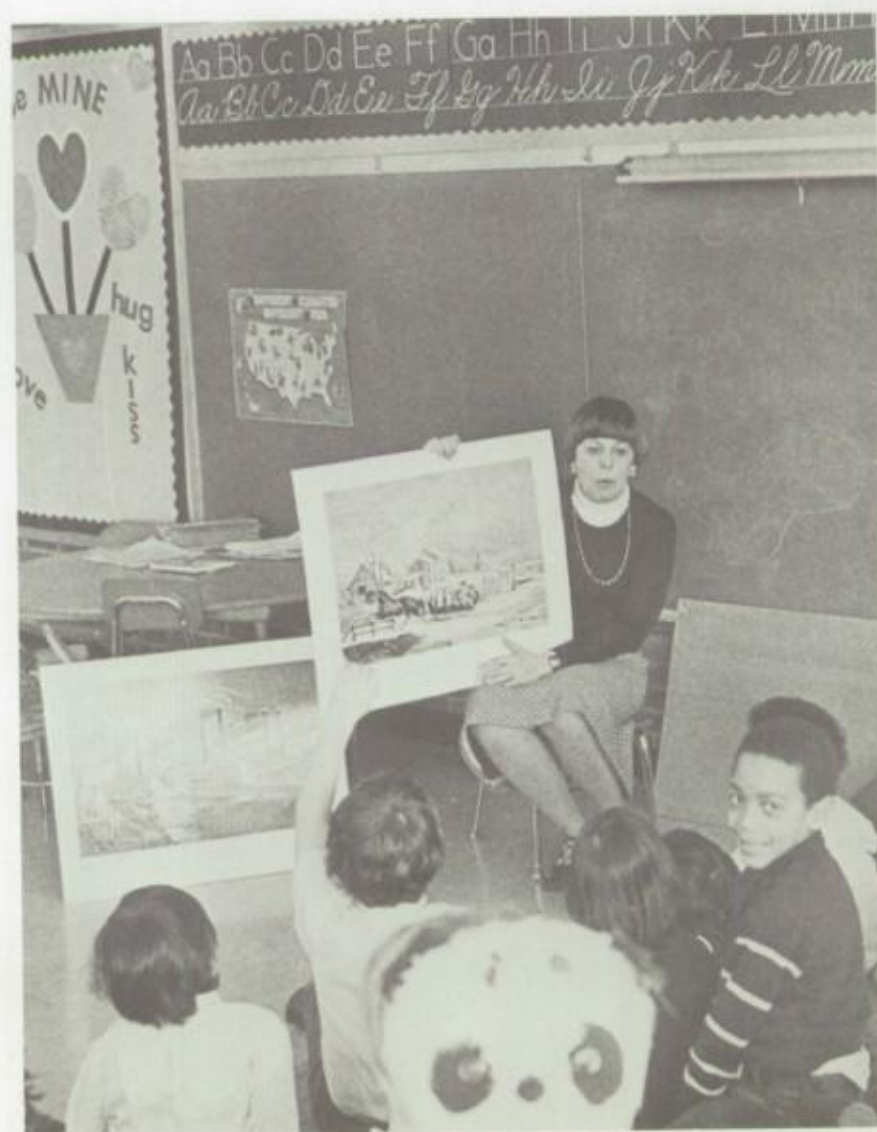

Lower School at Village Campus

The lower school continued to grow in its new Village Campus. Enrollment was up and this increased the potential for new and exciting experiences throughout the school. Whether they are having an indoor picnic or studying well-known artists and their works, the lower school students are always learning and having fun doing it. Each activity brings with it a new opportunity to communicate and learn to work with others. The youthful exuberance always found in the lower school hit a new level this year and is still continuing to rise.

Many Activities Inspire the Lower Schoolers

This past year was once again a tremendously active one for the lower school and its students. The diversity of personalities and cultural backgrounds makes for an unforgettable learning experience for both students and teachers.

The annual Heritage Day excursion to Greenfield Village was once again a great success. While at Greenfield Village, students learned of our country's great past. They saw the workshops of Edison, Ford, the Wright Brothers, and the homes of many famous Americans.

Other activities included modern dance and ballet, art, gymnastics, recess and kickball. The year also included a trip to a fruit market to buy Thanksgiving goodies. The lower school provides many unique experiences for its students.

DEDICATION

FACULTY & STAFF

RICHARD A. SCHLEGEL
President-Headmaster
Haverford College B.A.; University of Pennsylvania,
M.A.; Albion College, LL.D.

What do the Student Foreign Exchange Program, collections, audience support at athletic contests, equestrian pursuits, school philosophy, flowers, sophomore dinners, and finances have in common? They are all part of the busy lives of the Headmaster and Mrs. Schlegel.

Dr. Schlegel has done an admirable job of spearheading the school development program, and has encouraged the creation of a working Student Council. Mrs. Schlegel has added warmth and beauty to our campuses by heading the committee responsible for the flower gardens.

The achievements and efforts of Dr. and Mrs. Schlegel for our school go far beyond these things. Their merits are endless and their combined dedication a lesson for us all. Together they have made Detroit Country Day School the warm place it has become.

GM's mid-size cars for 1977.

Chevrolet Chevelle Malibu Classic and interior.

Common sense
never looked more
beautiful.

When you're out shopping for a new car, common sense is simply getting all the car you want without buying more car than you need. But when you can get the luxury, comfort, room and performance found in GM's 1977 mid-size cars, that's not just common sense... that's brilliance!

GM's new mid-size cars offer upholstery choices in rich velours, luxurious knits and plump vinyls, depending on the car nameplate and model you select.

There's thick cut-pile carpeting. Smooth, comfortable rides on full-coil suspensions. And when it comes to quality construction—ah, the Body by Fisher tradition shines through again.

Next time you're in the market for a car, look into GM's mid-size lineup for '77.

We want you to drive what you like and like what you drive.

The greatest barrier to the development of personal skills is lack of motivation. When something, or someone, turns on your ignition key of desire to achieve an obtainable goal, you have taken the first giant step forward in building personal know-how, self-confidence, and growth in whatever field you choose.

This I say to you all seniors of Detroit Country Day and especially to you my son, Charles.

To Gloria
 I know this
 year we weren't
 close friends as
 the rest of the years,
 but I'm glad we still
 are and will be 7.7
 but I'm leaving next year
 I mean it too
 P.S. Have a great summer
 huu.
 Dee Dee

Let's hope Brennan
 in word the dima,
 Paul Cook

Gina - Have enjoyed
 the year and you -
 the very best with you +
 all after
 (Pop)

P.S., I'm really
 good miss
 you, but that's
 the way it
 goes I guess
 when we live
 so far apart,
 But we'll still
 be friends.

Love ya
 alot
 xx

Gloria, you are a super
 sexy chick & I love
 your Dimples,
 Love
 Keith SOF/ROF

Gloria, we've become great friends this year. who else would give me my first Plop Plop?! even though the start of the year wasn't great, I think I've turned out half decent. Take it easy & keep in touch. Good luck with - Scott.

To Gloria, this year can speak for itself. But we've remained friends and have shared good with bad. Wherever you go you will have a friend named Ros. I.T

342-9255

Gloria, all I can say is, you're a true friend! Stay as sweet as you are!

To Gloria,
Have great time over the summer & don't over do it with Brenin.

Gloria, you are a real nice kid and I hope you are as good of a friend as you are!

Dear Gloria -

Have a nice Summer
See ya next year when
You're an Upper Schooler

Goodluck
Al Feldman

To Gloria,
Have a great summer & don't over do it with Brenin.

Gloria, I can hardly wait until you start your track team. I know you'll be going to regionals. Good luck! Love Dee

THAT'S GOOD always been friends. Hope well. Gloria

P.S. Call me!
